The Honorable James Quello
Acting Commissioner
Federal Communications Commission
1919 M Street NW
Washington, D.C. 20554

Dear Commissioner Quello:

I am writing this letter regarding "Must Carry" status for WSHH-TV, licensed to the city of Marlborough, MA.

WSHH-TV provides a valuable service by informing the public of various useful topics. Recently, they have brought historic preservation to the public's attention. They did an excellent job of understanding this topic and relating it to the general public. Through this series on historic preservation, our organization's message of the importance of preserving historic properties was shared by viewers that may never have known about it.

WSHH-TV has done a fine job in enabling our organization to get our message out to the public. It is an asset to have WSHH-TV be carried on all cable systems.

Sincerely,

Sandra A. Curro
